A Big Day for Families

Today is a very special day for families.

Today is the feast of the Holy Family.

The priest will read the Gospel story about the day Mary and Joseph took Jesus to the Temple and offered him to God.

Jesus, Mary, and Joseph were a family just like you and your parents. Jesus learned from Mary and Joseph, and grew wise, loving and good. You can learn from your parents to live and love as Jesus did.

This is truly a happy family day!
