

Family Egg

Since today's children are unfamiliar with the image of a shepherd, set aside some time to drive home this week's message.

- 1** - First make a list of ways we can follow Jesus: prayer, story-telling, kind deeds, sharing, visiting the sick, going to Mass, forgiving others, and so forth.
- 2** - Play follow-the-leader with a twist. Choose one person to be the leader. The leader must take something from the list and try to get the others to guess what he or she is doing to follow Jesus. He must do this without talking.
- 3** - Whoever guesses what the leader is doing gets to be the leader. It is his or her turn to mime a way of following Jesus.
- 4** - Write a prayer telling how the family follows Jesus and adding the hope that one day the whole world will follow the Good Shepherd.
